THE HOSPITAL OF ST. BARTHOLOMEW, ROCHESTER

ANNUAL REPORT, 1936.

The Trustees have pleasure in submitting their Report and Statement of Accounts in respect of the Hospital for the year 1936.

Patients and Cost.

The following particulars present in a convenient form, a summary of the Hospital's work for the past year.

No. of In-Patients...	2,026
Average number of patients resident daily	108·6
Average number of days each patient was resident ...	19·6
Number of Operations under General Anæsthetic ...	1,329
Number of New Out-Patients	10,178
Number of Out-Patients' attendances	62,295

The average total cost of each In-Patient was £9 6s. 9d. and the average total cost of each Out-Patient was 7s. 11½d., details of which are shewn on pages 29 and 30.

Income & Expenditure.

The Ordinary Income for 1936 amounted to £24,339 7s. 5d. exceeding that for the previous year by £1,396 17s. 2d. Legacies amounted to £6,266 14s. 6d. of which sum £6,246 14s. 6d. has been allocated to the Extensions' Fund. In the preceding year Legacies amounted to £732 2s. 10d. During the past year, the Association of Friends contributed to the Maintenance Fund £7,000 being £1,000 in excess of that for 1935 and the largest contribution paid in any one year by the Association since its inauguration.

The Expenditure for the year amounted to £23,008 15s. 11d., which was £1,396 17s. 2d. more than in the previous year.

The Income exceeded the Expenditure for the year by £1,350 11s. 6d.

Bank Overdraft.

The overdraft at the Bank on the General Maintenance Fund at the end of 1936 was £7,691 4s. 6d., a reduction of £837 8s. 7d. for the year.

Annual Subscriptions.

The Trustees regret to have to report that Annual Subscriptions received during the year were £127 less than in the previous year. The contribution received from the various Lodges by the Masonic Bed Trustees fell short of the usual amount and consequently they were able only to pay to the Hospital Fund £150 instead of their usual subscription of £230. Several other subscribers failed to pay their subscriptions but it is hoped that these will be paid during the current year. The Board are grateful to present subscribers for continuing their support, as they are also to those who have recently become regular contributors, and an earnest appeal is made to those residents who are not already subscribers to become regular supporters of their Hospital.

Income Tax—Notice to Annual Subscribers.

The Hospital can reclaim Income Tax and thus increase the amount of subscriptions by over 30 per-cent WITHOUT ANY ADDITIONAL COST TO THE SUBSCRIBER, if an undertaking is given to pay the subscription for a period of seven years.

A Form of Agreement necessary for the purpose will be found on page 34A.

Legacies and Special Gifts.

The following Legacies have been received during the past year, to be applied by the Trustees in their sole discretion for the benefit of the Hospital, and, with the exception of the £20 received under the Will of the late Miss Mary Allen, have been placed to the credit of the Extensions' Fund :—

The late Rev. John Bailey, for 55 years' Chaplain to the Hospital, by his Will, bequeathed the residue of his Estate to the Dean and Chapter of Rochester Cathedral, upon trust, for the benefit of the maintenance of the Hospital Chapel, which beneficence is most gratefully appreciated.

Board of Management.

During the year, the following changes in the personnel of the Governing Body have taken place.

Mrs. F. M. Freeman has been appointed by the Chatham Corporation as their representative in succession to Alderman H. J. Cloake, who has retired after serving for some years as a member of the Board. For this valuable service, the Trustees place on record their sincere appreciation

Mr. H. R. Britten has succeeded Mr. H. G. Davis as the nominee of the Chatham Dockyard Hospital Fund. During the period Mr. Davis was a Trustee, he was a member of several Committees, for which assistance the Hospital's warmest thanks are due.

Mr. C. E. T. Rogers has been nominated by the Medway Chamber of Commerce as a Co-optative Trustee in place of the late Mr. J. T. Featherstone, whose death was recorded last year,

The representatives of the Association of Friends on the Board of Management for the ensuing year are :—

Alderman F. G. Luff, Capt. E. McDonald, Councillor F. C. A. Matthews, Councillor G. R. Stevens, Councillor V. J. Stuart, and Mr. R. A. Knight, the only change being that Mr. G. R. Stevens has replaced Mr. F. W. L. Philp, whose services the Trustees have lost with regret.

Honorary Medical & Surgical Staff.

The Trustees have to record the retirement of Mr. Clement White, who for nearly 25 years has served as an Honorary Surgeon on the Staff. In recognition of such long, valuable and loyal service, Mr White has been appointed an additional Honorary Consulting Surgeon to the Hospital.

Mr. E. J. Greenwood, Assistant Hon. Surgeon, has been appointed Honorary Surgeon, to fill the vacancy on the Senior Staff consequent upon the retirement of Mr. Clement White.

The following Hon. Assistant Anæsthetists have been appointed to the Honorary Staff :—

Mr. Glyn Rees, Mr. E. G. Gross, Mr. Dalton Y. Carter and Mr. Manners Bell.

Radio-Therapeutic Dept.

This Clinic primarily exists to give all possible assistance to Cancer patients who seek its aid.

During the past year, 93 malignant cases passed through the Department and in addition, 39 non-malignant cases received Radium treatment, making a total of 132 patients.

The average number of patients attending the Department weekly during 1936 was 16·9.

Ladies' Linen League.

The Trustees have once again to acknowledge with sincerest appreciation, the inestimable assistance given to the Hospital by the Ladies' Linen League during the past year, through which Organisation garments and equipment to the approximate value of £700 have been received. In addition, Chatham Branch are also presenting three ward tables for the new wards, and Gillingham Branch have provided the Hospital with a portable Ultra Violet-Ray lamp and two ladies have given twelve dozen embroidered linen locker cloths for the new wards. H.M. Queen Mary, has, through the Dowager Countess of Darnley, graciously presented to the Hospital special garments for the patients. Further, to commemorate the 25 years' service of Mrs. Wharton, as Hon. Secretary of the League, the various branches are making a special gift of a presentation ward table for one of the new wards.

For the affection and loyalty to the Hospital as expressed by these gifts, mere words of thanks are inadequate, but the Trustees place on record their heartfelt gratitude to the Dowager Countess of Darnley, the President, the Vice-President, to Mrs. Wharton, who has completed her Silver Jubilee as Hon. Secretary; to the Hon. Branch Secretaries and to all the members of the League, for such zealous service.

Extensions' Appeal.

The contributions to the Extensions' Fund now total £71,800 and the expenditure to date amounts to £83,370, the Fund being overspent at the end of the year to the extent of £11,570.

Since the last Report, the Resident Medical Officers' Quarters have been completed and the Nurses' Home is now being enlarged and modernised. When this part of the work is completed, the present wards will be re-conditioned and provided with sun balconies which will be of the greatest benefit to the patients. It is anticipated that the modernised Hospital, providing approximately 200 beds, the work in connection with which has taken over 12 years to complete, will be in full occupation early in 1938.

A further £7,000 to meet the cost of the reconstruction and enlargement of the Nurses' Home is required, for which sum the Trustees are now making an earnest appeal.

Coronation Appeal.

The sphere of the Hospital's work lies in a district almost entirely industrial, comparatively poor, and outside the more affluential parts of the County.

The Trustees, while being aware that the generosity of many wealthy residents in Kent is perhaps strained and that this Hospital lies outside their immediate district, make an earnest appeal to them this Coronation Year, to give a kindly thought to a Hospital which is striving, under most difficult conditions, to maintain the highest efficiency and endeavouring to pay its way.

Association of Friends.

The Association of Friends has contributed no less a sum than £7,000 to the funds of the Hospital during the past year, thus exceeding all previous records. This entitles the Association to have six representatives on the Governing Body of the Hospital, and has been referred to earlier in this report.

To those who have contributed to the success of the Association, either by means of subscriptions, personal service or both, the deep gratitude of the Trustees is due.

Hospital Chapel.

Owing to the bad condition of the fabric of the Chapel, extensive repairs have had to be undertaken, including the completed re-roofing of the building, the expense of which has most generously been undertaken by Mr. Charles Willis, to whom the Trustees tender their most grateful thanks.

Other Special Gifts.

In addition to the Special Gifts prev.ously referred to in this Report, the Trustees have with sincere and warm appreciation received the following contributions :—

Convalescent Home Letters.

Gifts of Convalescent Home Letters are of the greatest value to the Hospital and to the patients, to whom a few weeks at a home are of considerable benefit. The Trustees desire to thank those organisations and individuals who have provided Convalescent and Surgical Aid Letters and other forms of assistance, for the purpose of helping patients to obtain treatment at Convalescent Homes, which kindly service is acknowledged with gratitude.

Appreciation.

To the Clergy and to the Ministers of various denominations for their co-operation on Hospital Sunday ; to Employers, Foremen and Employees and those who collect and give a weekly subscription ; to the Local Fire Brigades and Ambulance Services, for their many efforts on behalf of the Maintenance and Extensions' Funds ; to the Police for supplying information in connection with Motor Car Accident Cases, etc., and to the Press, the warmest thanks of the Trustees are due.

It is impossible to find an adequate expression of indebtedness to the Honorary Staff, who in the Wards, the Operating Theatres, the Lecture Room and Out-Patients' Departments, so ungrudgingly give their services at all times.

Board Room, May, 1937.

"Helping in any way those in Sickness is a thank-offering for good health."

FOREWORD

Dear Friends,

It is with much satisfaction that I place on record, in this our Eighth Annual Report, the outstanding success of the work of the Association during 1936. The Friends' gift to their Hospital was increased to £7,000, and a Giant Electro Magnet, at the cost of £117 10s. 0d., presented to the Ophthalmic Department. Another cause for gratification is that during the year certain privileges were obtained for our subscribers and which, if the increase in membership continues, will be augmented in the near future.

On another page will be found the names of the Friends to whom must be credited the progress I have mentioned—I allude to the members of Ward and District Branches and I note with pleasure there has been but very little change in the personnel of these Committees during the period under review. I heartily thank all members of the Committees and the subscribers for their constant and loyal assistance in the organisation of a Society which is doing much to preserve the voluntary system and is rendering so important a service to the Hospital.

I hope, at the close of this year, I may be able to record still further progress in the work of the Association of Friends.

Yours faithfully,

Chairman.

Cobham Hall,
Kent.
March, 1937.

Report, 1936

The Committee have the pleasure to present their Eighth Annual Report and Audited Statement of Receipts and Payments for the year ended December 31st.

The Committee are privileged to report a year of progress and desire to express their thanks to all Friends who helped to make 1936 an outstanding period in the history of the Association. In the foremost rank of these Friends the Committee place the members of the Executive and Branch Committees and the Hon. Stewards; they never failed to carry out with efficiciency and thoroughness the voluntary work they so generously undertook for the Hospital and it is to their cheerful and enthusiastic help the success of the past year can be traced.

There has been little change in the formation of our Branch Committees. We hope to retain the friendship of those members who have resigned and we ask them to accept our sincerest thanks for the great service they rendered to the Hospital whilst on the active list. With reverence we deplore the loss of valued Friends who during the year have passed onward and whose help and encouragement in the work we still hold in grateful remembrance.

It will be seen in the Financial Statement, that during the year the sum of £7,000 was passed to the Hospital for Maintenance purposes and that expenses were slightly under those of 1935—this was made possible by valuable gifts of printing and stationery for which the Committee desire to record their grateful thanks.

The following is a statement of grants passed to the Trustees:—

THANKS.

Space does not permit us to mention by name the organisers, donors and supporters, of the many special events which were arranged for the benefit of the Hospital during the year. Fetes were held in Sheerness and Minster and in the case of Sheerness the increase in the proceeds is evidence of the growing popularity of the Fete. We thank and congratulate all Friends who were responsible for the organisation of these events, the help which they give year by year is surely a supreme example of steadfast endeavour on behalf of the Hospital.

ST. BART'S OWN DAY.

The Hospital's Special Day was again a success, and thanks are due to Mr. A. D. Littlewood, Chairman of the Flag Day Committee, and to the members of the Branch Committees for the large amount of energy and work they expended upon the organisation. We also thank the Chairman and other friends who gave kindly help in transport by the loan of their cars.

MUSIC AND DRAMATIC SOCIETY.

Large gatherings of the Friends attended the Concert Meetings held throughout the area during the year. The concerts arranged by the talented members of the Society were greatly enjoyed, and the Committee highly appreciate the valuable voluntary assistance which the members are rendering to the Hospital. At the General Meeting held in December, the following were elected to the Committee for the ensuing year :—Mr. J. A. Levett, A.R.C.O., Chairman ; Mr. J. H. Bolton, Vice-Chairman ; Miss E. Curling, Hon. Treasurer ; Miss K. Wagon, Hon. Secretary ; Miss I. Weller, Miss I. Curling, Mr. Harold King, Mr. Ray Savill, Mr. Carl Worth. The Committee also desire to thank the many friends who kindly gave the free use of Halls for the meetings, or who charged a reduced fee for this accommodation.

FRIENDS O'BARTS CHRONICLE.

This report would be incomplete if mention were not made of the help given by Mr. R. C. Bampton Chairman of the Editorial Committee and his co-members ; by Messrs. Edward Lloyd, Ltd., for the gift of paper each quarter ; by the publishers, Messrs. Mackay, Ltd. ; by Mr. N. S. B. Miller ; also by those Friends who so kindly act as distributors. We hope the knowledge of the help the Chronicle affords in the work of the Association and the interest which the Box-holders take in it will, in a measure, compensate for the time and thought the Committee expend upon the production.

THE PRESS.

The Committee wish to pay their tribute of gratitude to the Editors of :—The Chatham, Rochester & Gillingham News ; The Chatham, Rochester & Gillingham Observer ;

The East Kent Gazette and The Kent Messenger; their unfailing help and interest have been most valuable in the advancement of the Association.

PUBLICITY.

The Committee acknowledge with warmest thanks, the generous help given by the advertising Agents:—Messrs. Partington Ltd.; Rochester, Chatham & District Advertising Co.; Messrs. Bowes & Sons, Sittingbourne; by Kent Art Printers, Ltd.; Hyde Press (Rochester), Ltd.; and by a London firm of printers who desire to remain anonymous.

Honorary Auditors.

The Committte desire to express their gratitude for the very real service which has been rendered to the Association, from the commencement, by the Hon. Auditors, Messrs. Tribe, Clarke, Darton & Pollock, of Rochester.

THE MATRON

The object of this League, which consists of President, Vice-Presidents, Secretary, Treasurer, Working and Honorary Members, is to provide for the supply of Garments, Linen, Blankets, etc., required for the use of In-patients of this Hospital.

REPORT FOR 1936.

St. Bart.'s Linen League has had another successful year, with the exception of our Hoo Branch, which, I am sorry to say, has come to an end. Your Secretary has written to three ladies, who each refuse to run it, and Mrs. Price has not given in any more likely people to help.

Your Secretary attended two very successful Whist Drives at Chatham Town Hall, and each time won a prize. We wish to express our grateful thanks to the Chatham Tradesmen who each time supplied the teas; and very good too, as there are usually one or two hundred This means a generous gift. Your Secretary attended the Gillingham "At Home" and the Strand Tea.

Our President presented the prizes at the last Chatham Whist Drive, and was at the Rainham Show on Wednesday, the 18th November.

From the funds this year we have spent £74 11s. 8d. on 400 yards of sheeting and some blankets.

Miss Edmonds' Collection in Strood.

£6 17s., including £2 2s. from Mr. Harwood, High Street, Strood, who has doubled his subscription this year.

Mrs. E. Stephens

Has collected £5 1s. in Higham.

Mrs. R. Wakeley

Has collected £7 14s. in Rainham for blankets.

Mrs. Turner

Has sent £10 10s. from the Borden Ladies' Work Party.

Mrs. R. Cobb

Has sent from the Work Party of the Frindsbury Women's Institute, a large number of well-made and useful garments.

Mrs. Wharton's

Friends have made 10 Women's Bed Jackets.

Mrs. Stephens, Rome House,

Has collected £11.

Your Secretary is sorry to say that Mrs. Lewis, of Lower Halstow, who started and worked our pioneer branch there for many years, is now seriously ill in the Medway Infirmary. Your Secretary has written to her.

Rochester Branch.

We have had a very successful year. Meetings are held on the third Tuesday in the month at Prebendal House, by the kindness of the Branch President. The membership is now 73. We regret to report that we have lost three old and valued members by death during the year. On May 28th the Mayoress of Rochester presided at a meeting in the Guildhall, for the purpose of bringing the work of the Linen League before the ladies of the City. As a direct result 27 new members joined. Funds are raised by subscriptions and collections. We have held two very enjoyable Whist Drives, and we hope to have more during this year. We have raised £25 18s 11d., and are sending 300 garments.

Chatham Branch.

The usual success has attended our efforts during the past year, and the Mayor and Mayoress (Councillor and Mrs. H. J. Stearne) have also associated themselves with our work. As an experiment a Summer Whist Drive was organised, which proved to be very popular. Together with the afternoon Whist Drives, Members' Subscriptions and Donations, the Branch is able to present 260 garments, together with a further gift, which is receiving the consideration of the Committee.

The Dowager Countess of Darnley kindly presented the prizes at our last Whist Drive, and together with Mrs. Wharton, attended our Show of Work on the 27th October. Unfortunately, the Matron was unable to be with us owing to indisposition.

Meetings are held on the first Monday in each month in the Mayor's Parlour, Town Hall.

Gillingham.

We are very grateful to all our kind friends and Members for their magnificent help to us during the year. It has enabled us to make our actual contribution £120, including £5 5s. sent to the Association of Friends for their Magnet Fund. The number of articles is not so many as usual, but they are more expensive material and what is required. The teachers and children of three Schools are very keen workers.

Rainham.

Our fortnightly Working Parties have been well attended, the average attendance of members being 30, thus bringing about a happy and successful year. Our funds are raised chiefly by the Show of Work and Whist Drive in November, Members' Subscriptions and Donations. We have spent £50 on materials, and are sending to the Hospital 486 articles, including 68 woollies. Although not quite as many as last year, the cost is greater. Our Tenth Annual Show of Work on November 18th was opened by the Mayoress of Gillingham (Mrs. Tye), accompanied by the Deputy Mayoress. Lady Darnley and Mrs. Wharton were also present and greatly encouraged us. Lady Darnley, in thanking the Members for their splendid efforts, referred to the serious illness of the Matron. At her suggestion, the company present stood for a minute in silent prayer. Despite the terrible weather, the afternoon and evening proceedings were beneficial to the funds.

Sheerness.

We have had a pleasant and successful year of work, and are pleased to say we are able to send over 250 articles to St. Bart.'s, an increase on last year.

Minster.

The Secretary says: "I am afraid we have not had such a good year as last. We have only sent the work provided by St. Bart.'s. I am sending £8 to the General Funds. Your Secretary has seen Mrs. Ruff, Secretary for Minster, and it was owing to illness that Minster has not sent more."

High Halstow.

We have made this year, 12 green cot blankets, 12 children's pillow cases, 24 bibs, 25 green theatre cloths, and

we have £4 9s. 8d. in hand. All our members are very keen workers, and they all hope to come to the Meeting.

Our Annual Meeting of St. Bart.'s Linen League, was held at the Hospital, on Saturday, November 28th.

We were all grieved and disappointed that our beloved President, the Dowager Countess of Darnley, was prevented by illness from being with us and we all missed her very much.

Our Dean kindly presided, and said what a great help the League was to St. Barts., and that he was pleased to see so many of the helpers present. He said how sad Lady Darnley was, that she could not be with us and that she thanked all the members of the League for their splendid work and that she was proud to be their President. The Dean then presented your Hon. Sec., Mrs. Wharton, with a parchment Scroll and a lovely bouquet, the gifts of Lady Darnley, and said that the Linen League Branches were giving a Ward Table, for the New Ward to be made of Australian Wood, as a mark of appreciation of the Hon. Sec.'s 25 years of service.

Her Majesty Queen Mary sent to Lady Darnley, for St. Bart.'s Linen League, a kind gift of 3 lovely warm knitted bedjackets.

Mr. F. White thanked the members for the garments they had made, and Mrs. Price seconded the thanks. The number of garments sent 2,437, all well made and according to pattern. Two ladies in Strood, who desire to be unknown, sent one dozen beautifully embroidered tray cloths for the New Wards and are sending more next year.

A collection was made for our bed in the Milanesian Mission Hospital, and was £3 8s. 10d.

Tea was served to all and Mrs. F. H. Day sent an iced birthday cake for the occasion.

The Dowager Countess of Darnley sent 4 capes for operations ; 4 Women's bedjackets ; 8 Children's bedjackets ; 3 Children's vests.
